PROJECTS

Vehicle Number Recognition System

- Developed an automated system to detect and recognize vehicle number plates from images using computer vision and OCR techniques.
- Implemented image preprocessing and text extraction methods to accurately identify vehicle registration numbers.
- Classified vehicles based on number plate colour categories such as Private, Commercial, Electric, and Temporary vehicles.
- Built a user-friendly web interface for image upload and real-time result display.
- Technologies Used:** Python, OpenCV, OCR, Flask, Machine Learning

Hotel Management Booking System

- Developed a hotel management and booking system to streamline room reservations, customer management, and booking operations.
- Implemented features such as room availability checking, customer registration, booking confirmation, and payment management.
- Designed an interactive and user-friendly interface for efficient hotel administration and customer experience.
- Integrated database management to securely store customer details, booking records, and room information.
- Technologies Used:** Python, SQL, HTML, CSS, Flask

Personal Portfolio Website

- Designed and developed a responsive personal portfolio website to showcase projects, technical skills, certifications, and contact information.
- Implemented modern UI design and responsive layouts for seamless user experience across devices.
- Portfolio:** kushal-portfolio-nine.vercel.app

CERTIFICATIONS

IBM Artificial Intelligence Fundamentals Certification

Data Analytics Certification – Deloitte

Animation Certification

- Certified in animation fundamentals, visual effects (VFX), creative design, and digital media tools.

TECHNICAL SKILLS

Languages: Python, SQL

Technologies: Oracle, Power BI, MS Excel, MS Word, MS PowerPoint

Technical Skills: Data Analysis, Dashboard Creation, Data Visualization, Database Management, Computer Vision, OCR

Tools: GitHub, Flask, OpenCV

SOFT SKILLS

- Good Team Player
- Adaptability
- Leadership Quality
- Strong Work Ethic
- Communication
- Problem Solving
